
Born from the grit of Paso Robles, CA, Iron + Sand is a nostalgic nod to the natural draw of the historic hot springs, Iron Spring and Sand Spring, that propelled Paso Robles into a bustling destination known as California's oldest watering place. Iron and sand are also important elements in the wine's classic Paso terroir, as the sturdy iron trellising supports the bearing vines and the alluvial, well-drained sandy soils are the perfect match for Cabernet Sauvignon.

"The black fruit aroma is reserved on the nose of this bottling, allowing violet, stone, loam and a hint of herbs to come to the forefront. The dry palate is cohesive in flavors of black cherry, purple flowers and soil, with a hint of black olive." —Matt Kettmann
