
Born from the grit of Paso Robles, CA, Iron + Sand is a nostalgic nod to the natural draw of the historic hot springs, Iron Spring and Sand Spring, that propelled Paso Robles into a bustling destination known as California's oldest watering place. Iron and sand are also important elements in the wine's classic Paso terroir, as the sturdy iron trellising supports the bearing vines and the alluvial, well-drained sandy soils are the perfect match for Cabernet Sauvignon.

"Deep violet. Dark berries, cherry pit and a hint of licorice on the spice-accented nose. Chewy and energetic on the palate, offering bitter cherry, cassis and cracked pepper flavors and a touch of mintiness. Finishes long and taut, with building spiciness and gently chewy tannins that come in slowly."
