
Born from the grit of Paso Robles, CA, Iron + Sand is a nostalgic nod to the natural draw of the historic hot springs, Iron Spring and Sand Spring, that propelled Paso Robles into a bustling destination known as California's oldest watering place. Iron and sand are also important elements in the wine's classic Paso terroir, as the sturdy iron trellising supports the bearing vines and the alluvial, well-drained sandy soils are the perfect match for Cabernet Sauvignon.

"This broad and structured red has a super polished texture and delivers generous fruit. It's medium- to full-bodied and deep, yet it's well balanced and smooth, with a long finish and fine, dusty tannins." —James Suckling
